

Policy on Bullying

Policy on Bullying

St. Finians operates a zero tolerance approach to bullying of any kind; physical, verbal, psychological, racial or homophobic. Each student in the school is entitled to learn in a safe, positive environment. St Finian's Community College is a wholly inclusive school. We, with the partners in education are committed to being a caring, learning community where each person is valued and accorded respect and dignity. The principles which inform our core values and underpin our ethos are: Respect, Responsibility, Honesty and Inclusion. Teachers, Year heads and Tutor leaders remain vigilant for any signs of bullying and serious incidents are brought to the attention of Deputy Principal or Principal.
